VOL. XLIV — SONOMA, SONOMA COUNTY, CAL., OCTOBER 15, 1921 — NO. 8

REGULAR ROUTE FOR STATE HIGHWAY

Commission Decides to Connect Schellville and Santa Rosa via Present Road.

Word was received this week from the State Highway Commission that the new highway to be built between Schellville and Santa Rosa would take the regular county road route, past the Springs and up to Kenwood and Rincon valley. Two surveys were made, the other being through Glen Ellen on the west side of the valley.

Sonoma Valley, which has no state highway as yet, is keenly interested to see work start and will cooperate in every way with the Supervisors in obtaining necessary rights-of-way. It is now hoped that the entire stretch of road between here and Santa Rosa can be completed within the money and that specifications will be such that a bid for the completion of the road as intended will be forthcoming.

Four hundred and forty thousand dollars was voted by the people at the last state highway bond election for the building of the Schellville-Santa Rosa road. It will make the Sonoma Valley directly accesible via the Black Point cut-off. If for lack of funds or any other reason the progress on this new road should halt before the Black Point cut-off intersection was reached it would mean that Sonoma Valley would be cut off from the bay and Sacramento Valley and bottled up just as it is now. For this reason there is strong sentiment in favor of building from Schellville up.

Supervisor Lowell will use every endeavor to get rights-of-way on this end.

RAY COOPER HURT

For the second time in recent months Ray Cooper, employe of the Standard Oil Company, met with a serious accident, and on Saturday crushed four fingers so badly that he had to go to the company's hospital at Napa for treatment. Cooper was in the hospital several weeks this summer following injuries caused by a heavy tank of oil falling on him.

Saturday's accident happened at the Palace Garage, when a drum of oil toppled off a skid and caught his hand.

Two of the fingers were broken above the first joint and the others badly crushed. The accident was to Cooper's left hand, but as he is left handed, it was particularly unfortunate. Surgeons declare the injury to be mending as well as can be expected and say that amputation will not be necessary as at first feared.

EPH. WEISS, the expert ophthalmic optometrist, will be in Sonoma at the Union Hotel on November 2d, 1921. Permanently located at 706 Larkin St., San Francisco.—Adv.

TOMORROW IS WEDDING DAY OF EMILIE POPPE

Will Be Married at Parents' Home to Allen Grinsted, Sacramento Attorney and Federal Employee.

The wedding of Miss Emilie R. Poppe, only daughter of Attorney and Mrs. Robert A. Poppe and Allen R. Grinsted, Sacramento attorney, will be solemnized tomorrow at the Poppe home. It will be a quiet but beautiful wedding, for in the presence of near relatives and a few old friends the lovely and talented girl will plight her troth to the lucky bridegroom, and in her white wedding gown and dainty veil wreathed in orange blossoms, will make indeed a beautiful bride. The ceremony will be preformed by the father of the groom, and the bride's father, Col. R. A. Poppe will give his daughter away. Miss Elizabeth Davis of San Francisco will be bridesmaid and Geo. Works best man.

Following the ceremony a dainty wedding repast will be partaken of, after which the young couple will leave on their honeymoon and take up their future home in Sacramento. They have already plans for a lovely new home in the capital city, the house to be on the English cottage style of architecture and the many handsome wedding presents will add much to the interior beauty of its spacious rooms.

Miss Poppe was born and raised here in Sonoma and after completing her graduation at the University of California, where she was a brilliant student, she returned here to accept a position in the Sonoma Valley Union High School where her ability and lovely personality endeared her to all the students. Trained by the best vocal and piano teachers, she contributed much to the cultural side of the school and community and she will be greatly missed in musical circles of Sonoma Valley.

Mr. Grinsted who won the heart and hand of this fair Sonoma young woman, served in the army with honors during the war and was a commissioned officer. He was retained in the government service and has been in charge of a Federal Board at Sacramento. He is a college man and like his fiancee, is a talented musician.

The best of wishes and hearty congratulations will follow the young couple upon their leavetaking from Sonoma and a host of friends will hope that their journey through life will be attended with the greatest happiness.

MISS LUCY HANSEN WEDS JOE KEECHLER JR.

Sonoma Girl Becomes Bride of Son Of Jones Ranch Superintendent Last Monday.

Miss Lucy Hansen, one of the pretty daughters of Mr. and Mrs. Peter Hansen of El Verano, was married last Monday afternoon to Joe Keechler Jr. son of Mr. and Mrs. Joe Keechler of the Jones Ranch. The wedding was a quiet one, solemnized by Rev. Father Byrne at the rectory of St. Francis Church. Miss Norma Hansen and A. Maffei attended the young couple.

The bride is an attractive girl of the blonde type and is a sister of Mrs. A. Maffei and Mrs. Victor Leveroni.

Joe Keechler, the lucky groom is associated with his father, the superintendent of the Jones ranch and is a young farmer of experience and many genial qualities. He is a brother of Mrs. Chas. Groskopf and Mrs. Clem Cornelius. He recently joined the Santa Rosa Lodge of Elks.

CARL DRESEL CELEBRATES COMPLETION OF 70th YEAR

At Rhine Farm, the beautiful vineyard home of Carl Dresel in the Buena Vista foothills, the completion of his 70th year was celebrated last Sunday by Mr. Dresel surrounded by his family, relatives and old friends. The day was also the anniversary of the birth of the late Julius Dresel, father of the host, who would have been 105 years old. The senior Dresel, founder of the famous vineyard, lived to celebrate his 70th birthday also and his son Carl, then 35 years of age recalls the happy joint celebration.

Last Sunday Mr. Carl Dresel was heartily toasted and congratulated by the thirty eight relatives and friends who gathered together and enjoyed a splendid dinner arranged in his honor by his good wife, a daughter of the late Jacob Gundlach, pioneer partner of Carl Dresel's father.

The Gundlachs and Dresels are among Sonoma Valleys most prominent pioneer families and their highly cultivated vineyards and rare wines won many honors for this section of California. Since his retirement from the wine business, Mr. Dresel has continued to cultivate a small acreage of his choicest vines and enjoy the leisure and pleasure of his fruitful life surrounded by his family, many good books and congenial friends with whom he often participates in hunting and fishing trips. Despite his seventy years, Mr. Dresel is an ardent sportsman, can kill his buck on the fly and is a lover of the great out-doors. He also devotes himself to education and continues to efficiently serve the Sonoma Grammar School as a trustee and secretary of th Board.

A little girl was born to Mrs. Reffo at the Crane Sanitarium this week. Dr. Thomson is in attendance. The baby's father, Mr. Reffo was at one time landscape gardner at Boyes Springs. The family now live at El Centro.

HELD TO ANSWER ON GRAVE CHARGE

A. Trappe's Preliminary Results in Court Holding Him for Alleged Crime Against Stepdaughter.

A. Trappe of Schellville, who was arrested last week on grave charges preferred by his wife, following a confession made to her by her 16-year-old daughter, was held to answer after a preliminary hearing before Judge Small in the Sonoma Justice Court Tuesday morning. Several witnesses' testimony was taken, including that of Dr. A. M. Thomson, and after hearing all the evidence Trappe was held to appear before the Superior Court for the alleged offense against his young stepdaughter.

Trappe, a prominent rancher of Sonoma Valley, is said to have been a former employe of Mrs. Trappe's first husband. She was a widow with children when she married Trappe, one of whom is the alleged victim of the attack which, if proven, carries with it a penitentiary sentence of life imprisonment.

Bail was fixed at $2500 cash or $5000 bonds. Failing to raise the amount, Trappe was remanded to the custody of the deputy sheriff and taken to the county jail at Santa Rosa.

DAUGHTER OF PIONEER RESIDENT PASSED AWAY

Mrs. Francisca Sammons, One of Johannsen Family, Succumbs to Long Illness.

Mrs. Francisca Sammons, daughter of the late L. M. Johannsen, died last Sunday at the home of her brother Ed. Johannsen, in Vallejo. Mrs. Sammons had been ill for the past two years. She was a native of Apenrade, North Germany, and came to California around the Horn with her parents when only seven months of age. Her girlhood was spent in Sonoma Valley, and an August 18th 1885, she married Horace F. Sammons, who survives her. Three grandchildren and two grandchildren are also left to mourn this noble woman whose thought was always for others and whose many good deeds will ever endear her memory. Surviving sisters and brothers are Mrs. A. W. Pieratt, Mrs. J. Golde, Mrs. Dave Valquardsen, H. E. Johannsen, L. L. Johannsen and Ed H. Johannsen.

Interment was at Napa in the family plot.

Send in your printing orders to the Index-Tribune office.

LOCAL AND PERSONAL

The Flying will meet with Mrs. Chas Cutter on October 19th.

G. A. Landrum has gone to Sierra to accept a position as school teacher.

Dixon MacQuiddy of Berkeley has been here on a visit to his parents and sister, Mrs. C. C. Bean.

Mrs. Ivan Anderson, wife of Schellville's contractor, has returned home from a visit in Oakland.

Miss Marie Minkel, of the S. P. Company, visited Mrs. Irving Shepard at the London ranch Thursday.

Mrs. Wm. Minkel of El Verano has returned from a visit of several weeks in San Francisco and suburbs.

Mrs. Elmer Harris (Keiser), formerly of Napa, has been over there visiting, accompanied by her litttle son.

Dal Emparan has received delivery of a new Willys-Knight touring car and is delighted with the late model.

F. Wedekind has sold his grape crop of about 40 tons to J. Vella and associates. The Wedekind vineyard is the former A. F. Hopke place.

Marion Canevari, a son of Mr. and Mrs. F. Canevari of Sonoma, was married recently to Miss Pearl Crews of Santa Cruz. He is a railroad engineer.

Conforti and Lorenzi bought and shipped the grape crop from the Weise ranch, above Glen Ellen. Mr. Weise had a very good crop despite the frost.

The case of W. R. King vs Eric Blomgren has been set for trial on November first in the Superior Court The matter is in settlement of a garage partnership at Boyes Springs.

Mr. and Mrs. Wm. Hackmeier and little daughter were guests at Boyes Springs Hotel last week. Mr. Hackmeier is the widely known Boston Insurance Company traveling man.

Mr. and Mrs. Julius Ebel who have been residing in Sonoma for the past three months have removed to San Francisco. Mr. Ebel, formerly publisher of a newspaper at Santa Maria, was foreman of the Index-Tribune. His place has been taken by E. L. Eakin, recently of Sebastopol.

BENEFIT DANCE

There will be a dance at Watmaugh School House on the night of October 15th, given for the benefit of the organ fund. Music has been secured from Vallejo, and those who enjoy hearing a piano accordion will be especially pleased.

All who are interested in helping the school are cordially invited.

ELIZABEH LESHER,
Teacher.

Mrs. Bancroft pleasantly entertained the Flying Needles at her home on Broadway last week.

Mrs. James Tate and daughter, Jean, were visitors to San Francisco several days last week.

Arthur D. Hansen, representing the Tomasini Hardware Company, was over from Petaluma Monday.

District Deputy Amy Drake of Santa Rosa attended the meeting of Native Daughters here last Monday evening.

Mrs. Fred Bulotti and little son Alfred are home from the Crane Sanitarium, and mother and baby are doing nicely.

Mrs. M. Gilbert of Buena Vista is able to be up and around after a prolonged illnes with a trained nurse in attendance.

Superintendent McIntosh, of the Buena Vista State Farm, has been away on a vacation. His son has been up at the Farm.

Mrs. French of San Francisco has been up on a visit to her cousin, Miss Pauline Robin, who has been ill with a severe cold.

Mrs. Wm. Butler, who went to San Francisco to undergo an operation, is still quite ill and has not yet returned to her Buena Vista home.

J. Vella of the Sonoma Mission Creamery is shipping several carloads of grapes to San Francisco this week, among them the 1921 crop of the Justi vineyard at Glen Ellen.

Mr. and Mrs. Ralph Murphy, accompanied by their daughter and sons, visited in San Francisco several days last week. They took in the circus and many other attractions, and during their sojourn were hospitably entertained by Dr. and Mrs. Hoosh.

Mrs. Nieman, local agent for Caswell's coffee, has returned from a trip to San Francisco, and although it was her former home she declares that Sonoma has completely won her and that there is no place which compares with the Valley of the Moon.

JUDGE SEAWELL AND STATE HISTORIAN TO BE HERE

Will Address Womans Club on General Vallejo Day, Next Friday.

A fine program has been arranged for General Vallejo day at the Sonoma Valley Woman's Club next Friday afternoon. The proram in honor of the distinguished founder of the Pueblo of Sonoma will be as follows:

Piano Solo ---------- Miss Dresel
Address ---- Hon. Emmet Seawell
Vocal Solo ----------
---- Mrs. Lulu Vallejo Emparan
Address ----------
Mr. Chas. B. Turrill of Sacramento
Vocal Solo ------ Mrs. Ralph Hotz

The Club house will be suitable decorated, a large portrait of General Vallejo with laurel wreath, occupying an honored place on the platform.

Judge Seawell who is a gifted and eloquent speaker, is also a lover of California history and all its historic figures. He is an admirer of the founder of Sonoma and has made a study of Vallejo's attitude and sentiment during the transition period of the state's early history. His speech should be of particular interest.

Chas. B. Turrill is State Historian and one of the best informed men on California and its historic background that we have in America today. It will be a rare treat and privelege to hear him.

A number of prominent visitors, including gentlemen will attend this memorable day on the calendar of Sonoma's Womans Club.

Mrs. C. E. Johnson is in charge of the afternoon's program and Mrs. A. M. Thomson will be hostess.

THOS. TIERNEY WINS A POINT

The case of the Sonoma Valley Water, Light & Power Co. vs Tierney was up in the Superior Court Monday Thos. Tierney, the defendant, who originally got judgment for wages due him from the company and against which judgment an appeal was sought, scored a point at the latest hearing before Judge R. L. Thompson this week.

THE CURE FOR ALARMING LAW VIOLATION

UNENFORCED LAWS cannot be cured by more laws, least of all laws in which the majority consent of the governed has been ignored. There is obvious and alarming disregard of the present laws and with the exorbitant prices prevailing for liquor, it is worth the while of the unprincipled to see that laws are not enforced. Laws bearing on the abuse of the liquor traffic never were enforced as they should have been, wherefore the entire nation is now feeling the humiliation of the consequences. If laws had been enforced, thousands of saloons would have been wiped out and drunkeness been a rare condition. Law failed to function then and it cannot begin to cope with the situation now. It is a task becoming Hercules for enforcement officers to enforce law now in the face of the popular disregard of Volsteadism, the difficulty in locating violation, and the bribes which bootleggers can afford to give when they would corrupt the human powers-that-be.

Law enforcement against unprincipled saloon men and drunkeness in license time was a fiasco, but now conditions are more flagrant and we are paying for the enforcement farce in taxes on things necessary to our comfort and welfare.

Let us solve the problem of excess and cure the evil of intoxication by substituting something without the faults of the obsolete saloon, where accredited liquors may be sold and those who abuse a privelege be promptly punished. This legitimate channel, if opened up to the average citizen would be the nation's safety valve and best of all would divert the cream of the liquor trade from the blindpigger and bootlegger who dare anything to reap the immense profits his present position of advantage give him.

Some sane arrangement must prevail not only to save our sovereignty but our self respect. Prohibition conditions are intolerable and hopeless.

NEW FIELD OE REFORM

IN AN ERA when all kinds of uplift and reform institutions are lifting the fallen and more or less depraved by means of state appropriations, nothing has been done for shoplifters. Why not treat this form of petty criminal mania as other crimes are being treated, as a kind of disease of the fingers. Some people are born and reared so that hands cannot keep off tempting things put on such wonderful displays in department stores that they are incited to steal. A survey should be ordered by the legislatures and perhaps the discovery could be made that on top of one out of ten being feeble-minded, one out of ten may be light-fingered and have uncontrollable digits. —The Manufacturer.

Yes, and also let's make a survey of the up lifters and their mania for climbing up and making other people dig up.

California has had a rare opportunity to advertise her future possibilities of development through the coming here of the recent American Bankers Association Convention. Los Angeles has not been unmindful of the rare chance either and used all her artful promotion wiles to make the big impression. We believe however, as much asleep as the rest of California was, that the Eastern financiers have formed their own conclusions and made their own findings of California possibilities as an investment field. They have no doubt been impressed with the wonderful potentialities of Northern California and realize that here our possibilities have scarcely been scratched Financiers with a knowledge of this rich, virgin field in the wonderland West will make good use of their information.

The meeting here of this convention was one of the finest things of recent big publicity accomplishments in our Golden State. In a report on the Convention sent out by the entertainment committee from Southern California, the statement is made that the visitors now have a knowledge of the fact that California has some of the finest banking rooms in the country and that above all, the fact that in Los Angeles at least, deposits have increased rather than decreased during the readjustment period. Since the south seems so proud of that banking prosperity we rise to remark that in our own Sonoma Valley we have figures of which we are mighty proud, showing how local banking business has grown and held up during recent critical periods of readjustment throughout the nation. Sonoma Valley proves her thrift and richness in no better way.

DISTRICT ATTORNEY HOYLE'S contention regarding the County Engineer act was right according to a decision just handed down by the State Supreme Court which declares the act unconstitutional. It will be recalled how some over zealous citizens sought to discredit the District Attorney and how ridiculous they made themselves. The recent ruling is a belated but additional victory for Hoyle.

AT LAST THE LAW through a New York jurist has taken cognizance of the Vamp and recognized that this type of woman is a menace to society. Hitherto we have held liable other forms of bunk, but the havoc wrought by unscrupulous women was taken to be a game which could not be stopped by law. However it has occurred to some jurists that not only the victim of the vamp suffers through her cunning and conniance, but that very frequently many innocent people are ruined through the leaway she has been given. It remained for Judge Dike of New York state to humanize and modernize the law by recognizing the presence in modern day life of the vampish creature and making her amenable for her victimization of man. It is well that we have jurists with the conscience and intelligence of this New Yorker who dares to make the distinction between one class of women and another and can see that not only the immoral woman but the unmoral kind may well come within the jurisdiction of our courts.

PEDIGREE COCKEREL AUCTION SALE

The Poultry Department of the Sonoma County Farm Bureau will conduct a pedigree Standard Bred Single Comb White Leghorn Cockerel Auction Sale at Petaluma on October 15, 1921. The birds in the sale are composed only of cockerels which have absolute trapnest records from both parents of 250 eggs per year or better. This means that the dam and the sire's dam must have a pedigree trapnest record of at least 250 eggs for one year.

In most cases, the forty-nine cockerels which are consigned from the foremost White Leghorn breeders of the Pacific Coast states, are considerably above the minimum standard which has been set.

The breeders who have consigned cockerels are Hollywood Farms and Tancred Farms from Washington; Oregon Agricultural College, J. A. Hanson and W.A. Ford from Oregon E. H. Butler, G. C. England, Waldeck Ranch; W. J. Neef, G. R. Gray, N. C. Westerfield, Geo. G. Barker, D. B. Walls and Ernest Williams from California.

The number of cockerels from any one breeder has been limited to five, and these are accompanied with a sworn affidavit covering the breeding or pedigree records behind the cockerels. With this requirement, together with that of high quality, the poultrymen of the Petaluma section will be able to learn more regarding the reliable breeders on the Pacific Coast and also have an opportunity to pick from among a group of cockerels which represents the best breeding for production which can be secured, for individuals to head their breeding flocks.

A comprehensive catalogue has been published by the Farm Bureau committee in charge of the sale. The birds wil be sold to the highest bidder without reserve. Col. O. S. Grant of McFarland, California, will cry the sale.

The cockerels are now on exhibition in Dreamland Rink, Petaluma, to give the breeders an opportunity to inspect the cockerels carefully before they buy.

This is the first sale of its kind which has ever been held, and the introduction of pedigree cockerels such as are listed in the catalogue will mean much to the poultry industry of the community, and in fact, the entire state.

Word has been received that poultry breeders from all parts of the State of California will come to Petaluma to attend the sale on October 15th.

PLAN OF JACK LONDON MEMORIAL LIBRARY

Embodying the ideas of Architect Merritt, who some time ago drew a beautiful plan for the Jack London Memorial Library, to be erected by the club women of Glen Ellen, Contractor R. E. Murphy is figuring on a plan of a spacious and artistic building to cost in the neighborhood of $8000. The library and club house will be of stucco and stone on the exterior and will be erected in Glen Ellen on a lot donated by Mrs. Geo. O'Donnell.

Mrs. Shepard, Mrs. Harry Weise and Mrs. O'Donnell were here this week conferring with Contractor Murphy on the club house plan. The club women have already a substantial sum of money in their treasury which has been accumulating as a result of their earnest and united effort in behalf of the London Memorial fund. They plan to start work on their building early in 1922.

SONOMA VALLEY BANK COMPLETES IMPROVEMENT

The interior improvements at the Sonoma Valley Bank have been practically completed, the new steel plate door for the new vault having arrived. Owing to strikes the vault door was delayed in delivery, but now the vault can be put into immediate use. The door is a massive torch proof piece of steel of a design which is widely used in modern banking houses throughout America. Its weight is 4600 pounds.

Financially and constructively strong the Sonoma Valley Bank is a credit to the management and to the community of which it is a part. A recent stock dividend of $50,000 was declared by the directors.

MORE BEAUTIFUL GIFTS FOR ST. FRANCIS FAIR

More beautiful gifts which are to be used for the benefit of the building fund of St. Francis parish during the coming Catholic Fair have been received by Rev. J. F. Byne this week. Among late arrivals of great beauty and value is a twenty-six piece set of real Community silver, a genuine pyrex set of eleven pieces and a lovely manicure set of fourteen pieces with mother of pearl handles and enclosed in a beautiful folding case.

The Fair opens on Thursday night, October 27th, with an attractive program.

VOL. XLIII — SONOMA, SONOMA COUNTY, CALIFORNIA, OCTOBER 15, 1921 — No. 8

HIGH SCHOOL HAS ACQUIRED MORE LAND

Trustees Believed Present Site Too Small. Bought 12 Acres for New Building.

The trustees of the Sonoma Valley Union High School, who are planning the new school building to be built out of the recent $115,000 bond issue, have confered with eminent authorities on school construction and are convinced they need more land. As a result, they have secured 12 acres of land fronting on Broadway from F. M. Burris and have an option on 8 acres more as the site for the new High School building. The price is reported to have been very reasonable

The bond issue made provision for the acquiring of land and it is thought enough money will be available, particularly as the trustees plan to sell the present site, including the old building. They believe it will thus sell better than if salvaged.

Should Petaluma ever succeed in closing in on our city limits and claim the territory in which our High School would be situate, the District Attorney says it could be rescinded. The City of Sonoma could extend its city limits and take it in, if county division success seemed imminent.

The High School property being inoperative, pays no taxes to the city now, so it reverts to private ownership, the city will benefit thereby.

VINEBURG NEWS

Quite a pretty little birthday party was held under the pine trees of the Louis Martin residence on October the 9th, it being the birthday of Miss Madeline Martin. "The Grove" was tastefully decorated and a dainty repast was served. Among those who enjoyed the festivities were: Misses Leah Rouquie, Edna and Ruth Hansen, Clara and Virginia Wehrlie, Thelma and Margaret Rubke, Audrey and Alice Swift, Madeline and Master Louis Martin, Jr. Young Louie says it was "A Great Time."

Mr. Frank Rhode, one of our most progressive farmers and citizens, transacted business in the metropolis on Monday, and during his stay he purchased a fine span of draft horses and an attractive set of harness to "Doll" them up with. Leave the rest to Frank.

Mrs. Hyatt of Cordelia, accompanied by her son, Roy, were the guests of Mr and Mrs Louis Martin on Tuesday Mr Hyatt is connected with the Earl Fruit Co and has many warm friends in this part of the valley where he has been stationed for several seacons, shipping fruit East

Mrs Leona Batto and brother Olice Groskopf, motored to Napa and transacted business Thursday

All Vineburg was sorry to hear of the painful accident that happened to Ray Cooper on Saturday last and his host of friends hope that in a short time he will be himself again.

William Clewe of Sonoma was a busy man in this vicinity on Thursday for William was shipping a straight car load of choice dried fruit from this point.

After a pleasant week's visit as the guests of Mr. and Mrs. Louis Martin and auto trips through the Valley of the Moon, Mr. and Mrs. Arthur V. Swift returned to their Redwood City home Saturday.

Mr. and Mrs. Fred Batto, Miss Adele Andrieux, Miss Emily Batto, Margaret McDevitt and Herbert John Batto returned recently after a five days auto trip through the central and coast counties of the state. On the trip they passed through sixteen counties and visited the principal cities and points of interest. The fruit, grain belt, oil fields, old Missions, Del Monte and Pacific Grove and were in 72 different towns. They report a delightful and interesting trip and are all glad to be back in Peaceful Vineburg, "Home, Sweet Home"

CHICAGOANS HERE TO PROBE COST OF CALIFORNIA PRODUCTS

SAN FRANCISCO, Oct. 10.—Thirty-two city officials and business men of Chicago arrived in San Francisco on Monday on a coast-wide trip to probe production and marketing of California food products and to ascertain why their people still have to pay exorbitant prices for California fruits and vegetables.

Upon their arrivel in San Francisco they were entertained by various civic and political organizations. Their spokesmen issued interviews with the newspapers which were anything but complimentary to the cooperative organizations which have done so much to aid the growers and to establish a standard quality for California fruits in the markets of the world.

After reading the interviews in the morning papers, State Market Director Harry S. Maddox called a conference to the Chicagoans at the Palace Hotel and proceeded to enlighten the visitors regarding the operations of the cooperative associations. Maddox asked for and was assured of the hearty cooperation of the Chicago consumers in an organized effort to eliminate the excessive freight rates and the enormous toll demanded by brokers and speculators.

Maddox then took charge of the itinerary of Russell J. Poole, director of food products and farm produce, and put him in direct communication with officials of the various cooperative associations in the San Joaquin Valley and on to Los Angeles. By this system Poole will get first hand information from authoritative sources and will carry back to Chicago the true story of California associations and their desire to work with the consumers of the East in the elimination of unnecessary costs of distribution.

As illustrative of the temper of the Chicagoans the quotations of City Food Expert Poole in the city press are enlightening: "In discussing the mission of the party Poole asserted that an impartial investigation of cooperative selling associations was an important factor of the work. We are here, he said, to ask the cooperative associations whether the grower and producer are really getting the high prices we pay for their food products, or whether these associations are using the cooperative features to cloak their activities which seem to amount to a restraint of trade.

"The Chicago city government has made determined efforts to reduce the present high cost of living. We want to know the real reason for the continued high prices asked for Pacific Coast grown food commodities. The time has come when the price of many commodities can be reduced and must be reduced. We want to find out if the present system of forming cooperative associations is not really as injurious to the grower and producer as it is to the poor people who are compelled to pay excessive prices."

Statement of Ownership, Management, Circulation, Etc., required by the Act of August 12, 1912, of the Sonoma Index - Tribune, published weekly at Sonoma, California, for October 1st, 1921.

Editor, Celeste G. Murphy, manager, Celeste G. Murphy, business managers, W. L. and Celeste G. Murphy. Owners, W. L and Celeste G. Murphy doth of Sonoma. Known bond holders, mortgagees, and other security holders, holding 1 per cent or more of the total amount of bonds, mortgages, or other securities. None.

Sworn to and subscribed to before me this 3rd day of October, 1921.

$100 Reward, $100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative power of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Address F. J. CHENEY & CO., Toledo, Ohio. Sold by all Druggists, 75c.

"Let's Eat in Santa Rosa"

The above phrase was used by all salesmen and drummers whose route included Sonoma and Santa Rosa. The phrase is not used any more since the Plaza Restaurant has opened. Now they all say, "This is what Sonoma has needed for a long time."

The secret of the success of this popular restaurant is home cooking by a cook that knows how, plus Sonoma's best pure food products, and better coffee than is served in any restaurant anywhere.

The management of the Plaza has obtained a long lease on the building now occupied and will make alterations to accommodate the fast increasing patronage.—Adv.

Sell your Wrist-watch Buy an Alarm Clock

IT IS TIME to wake up to opportunity. Money out at interest isn't working for you—it's working for the man who rents it from you.

To share in the profits of Enterprise you must be a Partner with Enterprise. There is only one way to share in the profits of a growing and paying Industry, and that is to own a part of it. The time to get your start is at the START, not after and cash dividends have knocked values sky high. To get a chance you must TAKE a chance—that is, you must help yourself. Yours is the opportunity to share in the future profits of the California Car Company, a California corporation capitalized at $500,000, divided as follows: 25,000 in 8 per cent cumulative non-assessable preferred shares, and 25,000 common.

THESE SHARES are sold for cash or terms in units of 15 shares—10 Preferred and 5 Common. Par value $150.00. Opening price $100.00.

Your money invested in California Car will earn 8 per cent plus 50 per cent Common Stock bonus.

The Preferred shares are preferred both as to assets and dividends—they are retirable after 60 months upon repayment of principal, accrued interest and 5 per cent bonus. Then the Common Stock receives in dividends ALL the PROFITS of the BUSINESS.

Learn to Judge, stand by your judgment, act on your judgment. Half the people you know could have bought the Court House site for a song—but they didn't. We can only tell you of your opportunity. You must recognize it!

This column will be devoted to High School news, edited and written weekly by the students of the Sonoma Valley Union High School.

ATTENDANCE

Last spring in the campaign for bonds to build a new high school building, the campaign committee made the claim that this year there would be an enrollment of 120 students of which number 50 would be freshmen. The actual attendance to date is 125, of which 52 are freshmen. This marks an increase of 40 per cent over the same date last year, quite a remarkable jump. The total attendance this year will doubtless reach 135, of which number 60 will be freshmen. The beginning class a year hence, will, from present information be fully as large.

* * *

The increase of attendance for the first month of this year will automatically result in an increase of revenue

The new high school should take care of 300 students. With regular entrance classes of 60, it will not be many years before the regular enrollment will be 200 or more. The present school authorities have a difficult problem on their hands to build wisely and well. The new plans should make it possible at any time to add on to any part of the school soon to be built, and without in the least marring its symmetry and beauty.

* * *

If the school was handicapped last year for space, what is it doing now to take care of its pupils? In anticipation of an overcrowded condition, the study hall has been divided into two rooms by a temporary partition. At present all class rooms, laboratories and shops are filled to capacity. Extra seats will be found in practically all the rooms which permit of them. The Latin, Spanish, Stenography, Bookkeeping, and U.S. History classes are the only ones which do not fill all the seats in their rooms. There can be no general assembly of the entire student body for lack of room.

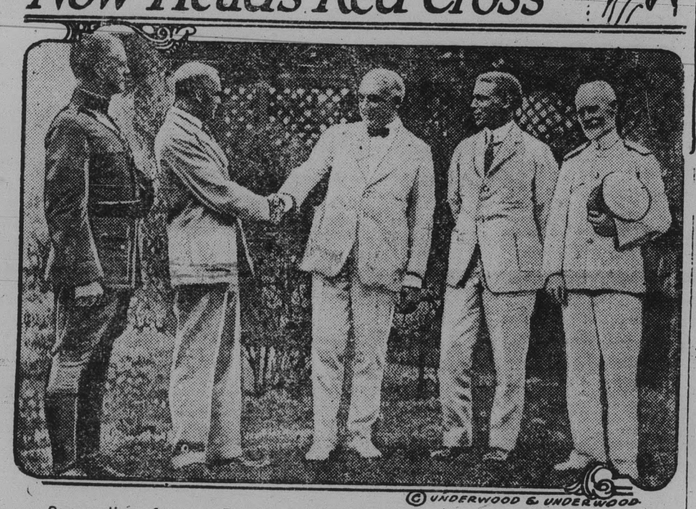

* * *

Not only are some of the class rooms too small, but all of them are in the main building and in all the other buildings. Not another girl could select cooking this year. The sewing class was divided into two sections and each section only given one-half year of work. The science teacher is conducting two sections in chemistry. Students were transferred from one class to another until the school could reach a working basis.

* * *

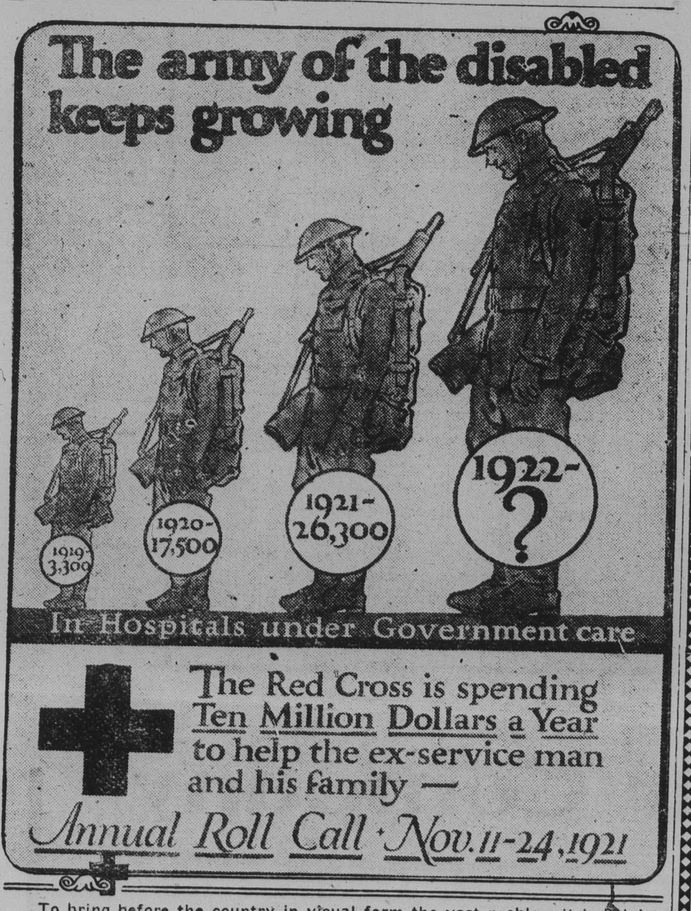

The bonds have finally been given an OK. by the expert bond attorneys of San Francisco, and within a few days the money voted, $115,000, will be placed in the hands of the county treasurer. The bonds were sold at a premium of over $4500. This sum can be used only to apply to the interest.

President Harding Now Heads Red Cross

© UNDERWOOD & UNDERWOOD

Succeeding former President Wilson, President Harding was recently elected president of the American Red Cross. He is here seen accepting the office. From left to right: Maj. Gen. Merritte W. Ireland, Surgeon General, U. S. A.; Dr. Livingston Farrand, chairman Central Committee of the Red Cross; the President; Asst. Secretary of the Treasury Eliot Wadsworth; Rear Admiral Edward R. Stitt, Surgeon General, U. S. N.

To bring before the country in visual form the vast problem it is helping to solve, the American Red Cross has prepared for its Annual Roll Call, Nov. 11 to 24, a poster showing how rather than diminishing the total of World War veterans entitled to Federal aid continues to grow. Red Cross Service to these men is costing $10,000,000 a year.

A better way of Milking—

Long ago the De Laval Company recognized the need for a mechanical means of milking to place the dairy industry on a business basis.

Designed with consideration for the cow and in observance of the principles of milk secretion

Built to De Laval Standards

Backed by De L Ser

Its Uniform Pulsation Please the Cow

The De Laval Milker is A Better Way of Milking

EVERY one familiar with the policies of The De Laval Separator Company, knew they wouldn't bring out a milker until they were absolutely sure of it in every way. Over twenty years have been devoted to the development of the De Laval Milker, and it has been in commercial use for over four years.

Everywhere the De Laval Milker is in use, the verdict is the same—it is a better way of milking. It is designed right, built right, installed right.

The De Laval will make your dairy business more profitable and pleasant. Ask us for full information.

For over twenty years experiments have been conducted, and after many years of research, test and use, and not until the De Laval Company was absolutely sure its milker was actually a BETTER WAY OF MILKING was it offered for sale.

NOW AFTER FOUR YEARS OF COMMERCIAL USE, IN ALL SECTIONS OF THE COUNTRY, OWNERS ARE PROVING THAT IT NOT ONLY SAVES TIME AND REMOVES THE DRUDGERY OF HAND MILKING, BUT IT ACTUALLY INCREASES THE FLOW OF MILK EVEN OVER GOOD HAND MILKING.

Read what these other users say:

"After making a number of trips to different dairies where milking machines are in use, I decided that the De Laval Milker was by far the best, and since installing same I find I did not make a mistake.

"The machines do the work easier, cleaner and better, with no injury to the cow, which is more than can be said of most hand milkers. I am milking 280 cows, with four men to milk and one man to carry the milk from cow barn to milk house.

"I feel confident tthat the De Laval Milking Machine is by far the best on the market." Yours truly,

(Signed) CENTRAL CREAMERY RANCH, Oakley, Cal.
By E. H. FOX.

"Our machine is saving us at least $300.00 a month in labor cost alone, and actually paid for itself in less than four months' use.

"The cows like it much better than hand milking. Although we have kept no accurate test, we are satisfied that we are getting more milk than by hand milking.

"We are more than pleased to recommend it, and you are at liberty to refer prospective buyers to us." Yours truly,

(Signed) ALFONZO BROS.
Kingsbury, Cal. A. Alfonzo.

WE WILL BE PLEASED TO HAVE OUR REPRESENTATIVE CALL AND GIVE YOU AN ESTIMATE OF COST OF INSTALLATION

The gentle action of the De Laval Milker pleases the cow and therefore induces an increased flow of milk, Every cow is properly milked in the same manner every morning and night.

LOCAL DANCES AT BOYES SPRINGS

Arrangements have been made whereby the popular Boyes Springs dances are to be continued every Wednesday, Saturday and Sunday night. Music will be furnished by the popular Sonoma Jazz Orchestra, the Synopated Four. The reinauguration of the dances will be good news to the young folks of the valley and adjoining cities.

CAPITALIZED FOR HALF A MILLION; $70 SUBSCRIBED

A certified copy of the articles of incorporation of the Sonoma Water & Irrigation Company was filed with the county clerk Tuesday, giving the corporation power to transact almost any kind of business, including light and power plants.

The company was organized Sept. 10, 1921, with a capitalization of $500,000—200,000 shares of common stock and the balance preferred. The principal place of business is to be in Sonoma county. It represents a combination of several Sonoma Valley water companies, which has been under way for the past two or three months.

The directors and trustees are R. R. Emparan, O. R. Wagner and Nellie O'Brien, listed as residing in Santa Rosa; David Cosgrave, Leon C. Osteyee, W. Chester and B. M. Thomas of San Francisco.

The sum of $70 has actually been subscribed, $10 by each of the seven directors.

CHANGE IN MINISTRY AT M. E. CHURCH

Rev. Samuel Crowe and wife of Ione have arrived to take charge of Mr. Crowe's new pastorate, the Sonoma M. E. Church.

Mr. and Mrs. Burchett have gone to Live Oak, Calif., where Mr. Burchett was transferred. He will be wished the greatest success and happiness in his new field. Both the pastor and his talented wife were a decided acquisition to Sonoma Valley and they will be greatly missed by the large circle of friends they made while residents of Sonoma.

The new minister is already being cordially welcomed by the members of his church and he and his wife will find the M. E. Ladies Aid Society of great assistance, as it is one of Sonoma's most active and valuable church organizations.

Rev. Mr. Crowe was for many years connected with the churches of Oakland and Alameda, and during the Exposition in 1915 was one of the ministers who accompanied Rev. Mr. Rader through the Middle West showing views of California and advertising the Panama-Pacific.

While at Ione he was connected with the Preston Industrial School and had a devoted following among the inmates anl all through Amador county.

A son of Mr. and Mrs. Crowe is prominent in Y. M. C. A. work, and during the war did wonderful work on the Atlantic coast. His daughters are engaged in the teaching and nursing professions in the East Bay setion.

SPEEDWAY ASSOCIATION

Do you want a life membership free in the North Bay Counties Speedway?

The speedway directors have evolved a plan whereby anyone in Sonoma county, by expending a little time and energy, can earn a life membership entitling the owner to two choice seats in the main grandstand to every event held at the speedway as long as the member lives.

The opportunity is open between now and October 23, when the next big race is to be held. The speedway directors have set aside fifty life memberships to be given away in that time.

Here is the plan:

During the coming two weeks memberships can be sold on the basis of $10 down and $10 a month until a total of $100 is paid. Every citizen in the county is eligible either to buy a membership on that plan or to earn one for himself by selling twelve memberships to his friends. It is certain that the selling of membeships between now and the big race will be an easy matter, as the payments are very much smaller than ever before and interest in the auto racing game is infinitely greater than it was at the time of the first race.

If you sell only six memberships the speedway commission will give a single membership, entitling you to one seat in the main grandstand for all events, including the big race this month.

If you sell several memberships but not enough to earn one for yourself, the association will compensatte you in cash. This will be figured in proportion to the number of memberships you sell.

In other words, if you sell five memberships you can have eitther $40 in cash for your trouble or by paying an additional ten dollars you can have a single membership. This means that those who sell memberships for the association can either earn some money for themselves or free memberships.

The speedway wants to give away a big bunch of these memberships between now and Oct. 23, the date of the big race. If you want one of these, drop a card to the association in Santa Rosa and ask for some membership blanks.

TO GET ESTIMATES ON CLUB HOUSE

It was decided at the last meeting of the Sonoma Valley Woman's Club to get estimates on two plans for improving and enlarging the clubhouse. On plan is the addition of a dining or banquet room on the north side of the building and the other is the addition of the dining room and the enlarging of the main auditorium to the full length of the lot. The hall is proving too small to accomodate big affairs and tthe stage is inadequate for entertainments.

The club house has proven to be an excellent investment and is always in demand.

CARD PARTIES THROUGH THE WINTER

The Sonoma Valley Woman's Club has decided to give a card party on the first Friday night of each month during the winter. The first of the parties will be given at the clubhouse on the evening of November fourth.

VANDALISM MUST CEASE

The city trustees and citizens of Sonoma are up in arms over recent acts of vandalism in and around town. The latest depredation of the law breakers is the bending and injury to the El Camino Road bell near the old Mission. Signs have been damaged and street lights smashed. The city authorities have determined to ferret out the source of the vandalism and if destruction of public or private property can be traced to any one, the extreme penalty will be dealt out.

Trustee Ed Lindly is incensed over recent happenings and has taken up the matter with the police authorities.

This is the paint you want

WE sell Certain-teed paint because it is of such high quality—and because the price is right.

Every ingredient in Certain-teed paint is first quality—no "seconds" can get into this paint. No secrets get into it either. You will find the formula printed on the label of every can of Certain-teed.

The Certain-teed paint formulas are based on 50 years' experience. They produce a paint that spreads easily and has remarkable covering capacity. It can't be beat for holding its color and lasting.

We can sell you Certain-teed paints for less than other high grade paints because each color is priced according to the cost of making that particular color plus a fair and uniform profit. We give our customers the benefit of this saving. We have the right Certain-teed paint or varnish for everything inside and outside your house. Come and see us.

F. CLEWE, Agent
Sonoma, Calif.

PROGRESS ON WOMEN'S INSTITUTION AT BUENA VISTA

Furniture is being installed in the big mansion on the property of the State to be used as a Farm for Delinquent Women at Buena Vista. Enough inmates from other penal institutions will be transferred here at once to get the place in order and do the housework.

A meeting of the Board of Managers, inluding Capt. Mathewson, of the San Franisco police department, and Ralph Fisher, superintendent of public instruction, was held here on Thursday night of last week. Miss Blanche Morse, head of the institution, is here continually.

THE GOLF CLUB LEASE

The lease on the Bigelow property for the Valley of the Moon Golf Club, which was sealed with a $500 deposit and negotiated by Mr. Fitzgerald of Sonoma Vista, is supposed to be consummated today, the 15th.

The lease carried with it a rental of $3000 per year, and the owner of the property safeguarded his oil prospects by making provision in the lease for compensation to the golf club in the event that oil was discovered on the place and oil drilling activities made derricks and Jerries supercede golf sticks and caddies.

THEATRICAL COMPANY OPENS HERE MONDAY

The McDonough tent show company, which made such a hit here a few years ago, will return and begin an engagement Monday, the 17th, in their big tent to be erected on Napa street. All the old favorites will be seen in a lot of new plays to which they have been playing to crowded houses in Petaluma. The McDonough Company attractions are sure to please.

Julius B. Ragatz, 1206 Florida St., Vallejo, California.

That the place where said business is to be conducted is at Boyes Springs in the County of Sonoma, State of California.

IN WITNESS WHEREOF the parties hereto have executed these presents this 31st day of August 1921.

CLAYTON W. GREENE
HORACE W. GREENE
CLARA W. GREENE
JULIUS B. RAGATZ

State of California,
County of Solano, ss.

On this 12th day of September in the year of our Lord One Thousand Nine hundred twenty-one, before me Wade H. Madren, a notary public in and for the County of Solano, State of California, duly commissioned and sworn, and residing therein, personally appeared Clayton W. Greene, Horace W. Greene, Clara W. Greene, and John Ragatz, whose names are subscribed to and who executed the within instrument, and they and each of them personally acknowleged to me that they executed the same.

IN WITNESS WHEREOF I have hereunto set my hand and affixed my official seal at my office in the County of Solano, State of California, the day and year first hereinbefore written.

(Seal) WADE H. MADREN,
Notary Public in and for the County of Solano, State of California.

Date of first publication Sept. 17, 1921

WESLEY TRUDGEN ARRIVES ON TRANSPORT

Wesley Trudgen, one of the boys of the ill-fated Monagahela, former U. S. Shipping Board boat, who was stranded at Manila, arrived in San Francisco Monday on the Transport Thomas. He was met at the dock by his wife, his sister, Mrs. Harvey, and Mrs. Winston and other relatives. He immediately phoned his mother in Sonoma and said he was well and very happy to be home again. He expects to be in Sonoma in a few days, and should have some very interesting experiences to relate of his life before the mast.

NOTICE OF TERMINATION OF CO-PARTNERSHIP. (Sec. 2453 of Civil Code)

KNOW ALL MEN BY THESE PRESENTS:

You will please take notice that the co-partnership heretofore existing between Peter A. Boccoli and S. A. Griffith, both of Sonoma City, Sonoma County, California, who have been conducting a general garage business in said city under the firm name and style "B and G Gargae," has this 1st day of October, 1921, been dissolved by mutual consent.

S. A. Griffith hereby agrees to assume all of the firm debts and obligations and to collect all bills.

Henceforth this garage shall be known as the "Palace Garage" and S. A. Griffith will be the sole proprietor thereof.

PETER A. BOCCOLI
S. A. GRIFFITH.

State of California,
County of Sonoma, ss.

On this 1st day of October in the year one thousand nine hundred and twenty-one, before me, Joseph L. Small, a Notary Public in and for the County of Sonoma, personally appeared Peter A. Boccoli and S. A. Griffith, known to me to be the persons whose name are subscribed to the within instrument, and they duly acknowledged to me that they executed the same.

In witness whereof, I have hereunto set my hand and affixed my Official Seal, at my office in the County of Sonoma, the day and year in this certificate first above written.

JOSEPH L. SMALL,
Notary Public in and for the County in Sonoma, State of Califo nia.
